DIES IN TERRIFYING DREAM.

Woman Who Claimed of Fearful Visions Is Found Dead.

REPUBLIC SPECIAL.—Pittsburg, Oct. 18.—A terrifying dream, one of many that had unnerved her, frightened Mrs. Margaret Burk to death at her home in McKees Rocks. The last dream was fatal, because it wrought an attack of heart failure. Her heart, unable to recover from the shock dealt by some fearful vision, soon ceased to beat.

She was 32 years old and had had heart trouble for several years. Her 3-year-old daughter was sleeping with her when she was seized with the strange dream that ended her life.

The family boarded with a Mrs. Watson. Her husband, Joseph, is employed by the Pittsburg and Lake Erie Railroad and worked at night. His wife was apparently in good health. Recently she complained of feeling badly and of weird dreams.

Mrs. Watson heard Mrs. Burk scream in the middle of the night, and then she heard a crash in the bedroom. She went to Mrs. Burk's bedroom and knocked at the door. As she received no answer she returned to her bedroom, thinking that she had made a mistake.

Burk returned home from work at 7 o'clock and went to his wife's bedroom. He knocked at the door, but did not receive any answer. Then he called Mrs. Watson and they called to Mrs. Burk's 3-year-old daughter and she got out of bed and let her father into the room. Her mother was lying on the floor dead.

The house, terrified in her dream, had jumped up in her bed and fallen face downward on the floor. The shock killed her instantly. Her nose was crushed by striking the floor.

She had been dead for hours when the doctor arrived. The little daughter said she heard her mother scream in her dreams and fall on the floor. She was so frightened that she did not make an outcry and soon fell asleep.

Mrs. Burk was often seized with these nightmares, and they always left her in a nervous and exhausted state. The coroner investigated the case and said it was one of the strangest he ever encountered in his experience.

DR. KING'S ADDRESS TO WEAK MEN.

I Do Not Treat All Diseases, But Cure All I Treat.

I want every man that is suffering from any special disease or condition to come and consult with me, and I will explain to you a system of treatment which I have originated and developed after my whole life's experience in treating diseases peculiar to men. It is a treatment that is based on scientific knowledge. I have no trial or sample treatment, cure-all medicine for sale, belts, appliances or similar devices to offer you. My education, my experience, my conscience, my reputation, condemn all such quackery. If you will call and see me I will give you free of charge a thorough personal examination, together with an honest and scientific opinion of the case.

Stricture.

Every victim of stricture is familiar with its painful symptoms. Obstruction, partial closure of the canal, frequent and painful scaldings, prostatic irritation and inflammation, and inflammation of the bladder. Stricture never cures itself, and often develops itself into a chronic disease. It is a disease that will ruin your life and health, but it can be cured. My special method of treatment is quick and certain, and is accomplished without the use of a knife or sound.

Specific Blood Poisoning

Is the most loathsome of all diseases, and is a condition that may be hereditary. It is a disease that will ruin your life and health, but it can be cured. My special method of treatment is quick and certain, and is accomplished without the use of a knife or sound.
